    - Strongly orientated toward automobiles; not seeing pedestrians and cyclists. The car culture also doesn't benefit businesses – a big chunk of our tax base.
    - Decisions are made one intersection at a time instead of as part of a larger plan.
    - Not following the democratic process: citizens must be consulted and contribute when changes that would affect them are proposed.
- VIII. NEXT MEETING DATE – June 13, 2019**
- IX. ADJOURNMENT**
