**Re: Unit 961 Gang Mower with Trade-In**

Bids were received and opened on March 23, 2021 for the delivery of one (1) new Unit 961 Gang Mower with trade-in for the Parks Division. The bids were as follows:

L.L. Johnson Distributing Co. Bid \$103,665.93 Trade-In \$3,500.00 Total Cost \$100,165.93  
Denver, CO.

The L.L. Johnson Distributing Co. unit is a 2021 Toro GroundsMaster 5900 with a delivery date of 60 days from receipt of Notice of Award. This unit meets all other specifications.

Two alternates were available for bid. Alternate 1 was an OSHA ROPS (Roll Over Protective Structure) sunshade canopy, that costs an additional \$623.78. Alternate 2 was a 5-year warranty for \$6,011.60.

I am recommending the City accept the L.L Johnson Distributing Co. bid with both alternates for a total of \$106,801.31

The old unit is a 2008 Toro GroundsMaster with approximately 4,618 hours and an original purchase price of \$81,495.00. Life to date cost for parts and labor are \$878.50. This number will be skewed as up until approx. 2 years ago, the Parks Division did most of their own maintenance, and that information was never entered into the HTE database.

The Parks Division has \$133,195.00 budgeted for the purchase of the unit.

Please contact me if you have any questions regarding this bid.
