Re: Unit 303 Closed-Circuit Television Inspection System with 4 WD Box Van without Trade-In

Bids were received and opened on March 23, 2021 for the delivery of one (1) new Unit 303 Closed-Circuit Television Inspection System with 4 WD Box Van without Trade-In for the Utilities Division. The bids were as follows:

Ten Point Sales & Marketing, Wheatridge, CO.	Base Bid \$239,040.00	Trade-In NONE	Total Cost \$239,040.00
---	-----------------------	---------------	-------------------------

The Ten Point Sales & Marketing unit is a 2022 Ford E-450 with a delivery date of 180 days from receipt of Notice of Award. This unit meets all other specifications. Two alternates were available for bid. Alternate 1 was a 400-watt 120 volt outlet, which costs an additional \$93.00. Alternate 2 was warning lights for \$731.00. Alternate 3 was seat covers for \$30.00. Alternate 4 was idle reduction technology that was not available.

I am recommending the City accept the Ten Point Sales & Marketing bid with NO trade-in and all alternates for a total of \$239,894.00.

The Utilities Division has \$233,046.00 budgeted for the purchase of the unit. The additional \$6,848.00 will come out of reserves.

Please contact me if you have any questions regarding this bid.
