

Agenda Item: Bid Award

Title: Award of Bid for the Gerald Place Priority Sewer Rehab and Water Replacement Project

Recommended Council MOTION:

I move to award the bid for the Gerald Place Priority Sewer Rehab and Water Replacement project to Big Huhnks Excavation, Inc., Laramie, WY, in the amount of \$239,900.90 along with contingency of \$23,900.00 for a total amount not to exceed \$263,800.90 and authorize the Mayor and City Clerk to sign.

Administrative or Policy Goal:

City Council Goal D, Maintain and Improve Municipal Infrastructure

Background:

This project was originally planned for the summer of 2022. However, Utilities staff identified the existing 8” sanitary sewer line in Gerald Place between Thornburgh Drive and Sheridan Street has collapsed creating a significant maintenance concern. City Council amended the FY21 budget so design and construction of this project could begin this summer.

As part of the bid for the Gerald Place Priority Sewer Rehab and Water Replacement project the water main was bid as an alternate. The existing water line has failed four times and there are signs of deterioration. After reviewing the bids, the recommendation is to include the bid alternate for construction.

Bids were solicited for the construction of the Gerald Place Priority Sewer Rehab and Water Replacement project in accordance with the City of Laramie Purchasing Policy. Bids were received on June 22, 2021, with the results as follows:

	Base Bid	Alternate 1	Total
• Big Huhnks Excavation, Inc.	\$125,988.00	\$113,912.90	\$239,900.90
• Six Point Solutions, LLC	\$146,841.40	\$143,463.40	\$290,304.80

After a review of the bid documents it is recommended Big Huhnks Excavation, Inc. be awarded the construction contract for the Gerald Place Priority Sewer Rehab and Water Replacement project.
