Subject: Resignation

It is with a heavy heart that I am writing to resign my seat on the Laramie City Council.

Of late, (and for the foreseeable future) I have had significantly increased workload at Hospice. Taking the best care of patients and staff is incredibly important to me. Between work and being a single mom (the coolest, and most important job in the world), I am stretched very thin and I need to adjust and focus on serving Laramie in a different way. It has been my pleasure to work with all of you and I wish you the best.

Nancy, I'm sure you will let me know how to proceed from here. I turned in my laptop at the beginning of COVID for staff that needed to work from home.

Respectfully,
Jessica Stalder
