Title: New Special Malt Beverage Permit No. Special-6 to Cowboy State Brewing LLC location at University of Wyoming War Memorial Stadium excluding Wildcatter.

Recommended Council MOTION:

That City Council approve the application for Special Malt Beverage Permit No. Special -6 to Cowboy State Brewing LLC dba Cowboy State Brewing, location of permit at University of Wyoming War Memorial Stadium excluding Wildcatter, Laramie, Wyoming for the licensing term May 19, 2021 thru May 07, 2022, and authorize the Mayor and City Clerk to sign.

Background:

Application for a Special Malt Beverage Permit of Cowboy State Brewing LLC dba Cowboy State Brewing was filed in the City Clerk’s Office on May 23, 2019. The premise location for the license is University of Wyoming War Memorial Stadium excluding the Wildcatter, 1000 E University Ave, Laramie, Wyoming. The dispensing room location is the entire Stadium excluding the Wildcatter.

This permit will allow Cowboy State Brewing to serve beer and malt beverages in the War Memorial Stadium excluding the Wildcatter for the current liquor license year. This will remove the need to file separate alcohol catering permits for each dispensing location in the stadium with the exception of the Wildcatter. These exceptions will need to follow all the appropriate steps to obtain a separate alcohol catering permit for each event hosted in these areas. This type of permit has been issued previously in 2019 and 2020 for Cowboy State Brewing LLC for the stadium location. We have not seen any major concerns with enforcement the past couple of years. This year the University rebid the provider of alcohol services at the stadium and arena. Due to timing and award notification process we have a new application rather than a renewal of license.

The application documentation presented appears to be complete. All required attachments have been received by the City including a letter from the University of Wyoming giving permission for Cowboy State Brewing LLC to acquire this permit. Advertisement requirement has occurred. Wyoming Liquor Division has certified the application as complete. [W.S. 12-4-104(d)].
