Scope of Work:

Grind Green Waste Piles 1 & 2 totaling approximately 30,686 CY at the Laramie Landfill into mulch using 6 inch screens.

QUALIFICATIONS

Exclusions:

Debris removal, crimping, fencing, grading, hand preparation, hand seeding, any and all maintenance, mulching, raking, rock removal, sediment/erosion control device (ECD) removal, sod, soil amendments, soil import/export/placement, tackifier, traffic control, soil compaction shrink greater than 15%, and watering/irrigation are all excluded. Any costs associated with LEED requirements are excluded. Any costs associated with bedrock excavation (ie. hammering/blasting) are excluded. Davis Bacon/Prevailing Wages are excluded. Bonding fees are excluded. Storm Water Management Plan, permits, etc. are excluded. Warranty is excluded. Surveying is excluded. Proctor testing is excluded. Any costs associated with dewatering are excluded. Frost ripping, snow removal, or costs associated with severe weather delays are excluded. Costs associated with fees, wildlife/nature/environmental feasibility/impact studies or the like are excluded.

General Conditions:

All work is subject to delays that may be experienced by H-2 in connection with severe adverse weather conditions (beyond weather patterns typical for the area), labor disputes, strikes, sabotage, war, governmental action, and other similar events. Under such circumstances, H-2 shall have additional time needed to complete the work. H-2 has not included any allowances of force majeure. H-2 reserves the right to amend pricing if subsurface or latent physical conditions at the site which differ materially from those indicated in the contract or unknown physical conditions at the site of an unusual nature, which differ materially from those ordinarily encountered and generally recognized as inherent in work of the character provided for in this contract. Proposal is valid if accepted within Thirty (30) days. Proposals for other services may be provided upon request. Water, permits, meter, and fees to be supplied by others within the construction limits. Proposal is based on the documents, plans, and specifications provided at the time of the bid. Stand-by rates will apply when necessary. All taxes and fees, if applicable, will be reimbursed to H2.

Payment Terms:

Payment terms are Net 30.
 Interest will be charged on all past due amounts at the rate of 1.5% per month (18% per annum).
