

Agenda Item: Agreement

Title: Easement Agreement with Rocky Mountain Power at the Municipal Operations Center-North Campus

Recommended Council MOTION:

I move to approve the Underground Right-of-Way Easement for the Municipal Operations Center-North Campus with Rocky Mountain Power and authorize the Mayor and City Clerk to sign.

Administrative or Policy Goal:

City Council Goal D, Maintain and Improve Municipal Infrastructure

Background:

New underground power is required for the new buildings being built at the Municipal Operations Center-North Campus. Rocky Mountain Power requires an easement for the construction, reconstruction, operation, maintenance, and repair of the underground power line. The easement is 10' wide by 684.2' long.

Legal/Statutory Authority:

BUDGET/FISCAL INFORMATION: No fiscal Impact

Responsible Staff:

Brooks Webb, Public Works Director
