

Agenda Item: Contract

Title: Award Professional Services Agreement for the Joint RFQ for Technical Update of the Casper Aquifer Protection Plan and Review of Aquifer Protection Measures

Recommended Council MOTION:

I move to approve a Professional Services Agreement with Stantec Consulting, Inc. for the joint City of Laramie and Albany County Casper Aquifer Protection Plan Update in the amount of \$277,500 plus a contingency of \$47,500 for a total amount not to exceed amount of \$325,000.
[Jordan, CMO]

Administrative or Policy Goal:

MOU between the County of Albany Wyoming and the City of Laramie Wyoming for Technical Update of the Casper Aquifer Protection Plan and Review of Aquifer Protection Measures.

Milestone #1: Intergovernmental Collaboration, Governing Bodies Will Clarify Role of City/County Environmental Advisory Committee and Subsequently Update and Adopt a Joint Aquifer Protection Plan for Municipal and County Governments

Background:

The objectives of this project are to consolidate the City and County CAPPs, and update the existing documents to include information that has been learned since 2008 and 2011. The new CAPP is intended to be approved under the Wyoming State Statute provisions for a Comprehensive Plan with any updated protective regulations to be codified under City ordinance and County regulations. It is anticipated that scientific document peer review will be a significant component to updating the CAPP. Upon updating and consolidating the aquifer protection plan, the consultant shall provide policy recommendations and any textual changes/modifications/updates to ordinance, regulations and protective measures deemed prudent to preserve the aquifer.

Legal/Statutory Authority:

Responsible Staff:

Janine Jordan – Laramie City Manager
