**Subject:** open container map

[External]

Hi Todd and Trey,

We are excited for the trees and pollinator gardens and more outdoor community space on our little S 4th Street. In the past, the open container stopped on the west side of S 4th Street. We are officially part of downtown, so is it possible to please include our side of the street in the open container area this summer? We are planning many events for the community and would appreciate having this opportunity.

--

Thanks!

René Williams, Artist/Owner
