

CITY OF LARAMIE COUNCIL REGULAR MEETING August 17, 2022

Agenda Item: Memorandum of Understanding
Title: Memorandum of Understanding between the City of Laramie and Albany County for the Operational Protocols relative to the Laramie / Albany County Records and Communication Center

Recommended Council MOTION:

I move that Council approve a memorandum of understanding between the City of Laramie and Albany County for the operational protocols relative to the Laramie / Albany County Records and Communication Center, and authorize the Mayor and City Clerk to sign.

Administrative or Policy Goal:

This change in the MOU will memorialize a long-standing practice of LARC budgeting for a portion of the County's WARM property insurance since LARC is housed in a County building. The change in the MOU will ensure that the City is paying for 9% of the County's property insurance and that this amount is removed from the 80/20% split for funding LARC.
