The Laramie Plains Civic Center is a non-profit organization whose mission is to conserve the historical integrity of Laramie's 140+ year-old building while offering safe, comfortable spaces for education, the arts, recreation, business, and non-profit needs

THE LPCC IS FOR YOU TO

Gather

LPCC invites the community to join their neighbors in The Gryphon Theatre, Phoenix Ballroom, conference room, two gymnasiums, and more.

Create

Home to many visual and performing artists and mentors, LPCC offers spaces to make art, experience art, and learn art at all ages.

Connect

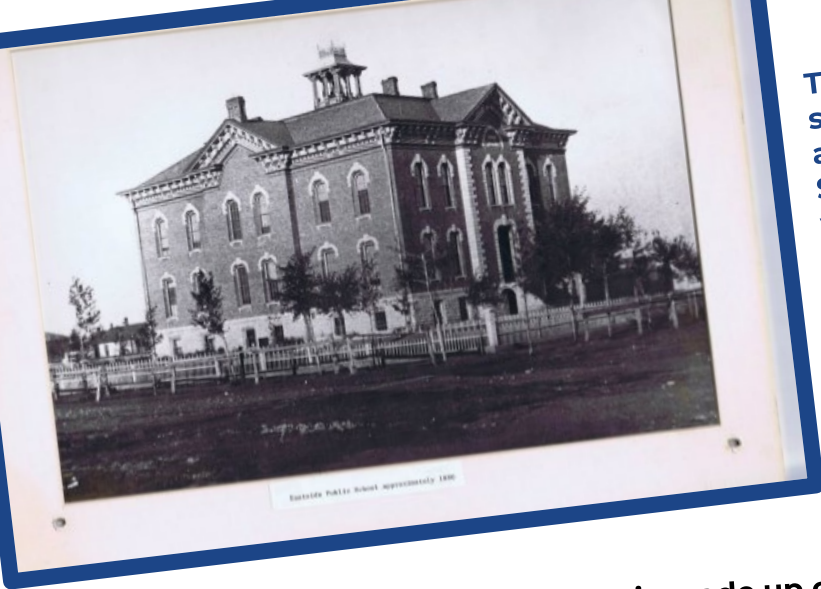

65+ non-profits, artists, community service providers, and small businesses offer exemplary services for our town and friendly faces in our halls!

Grow

Whether learning to throw pottery, watching a film screening, or attending an educational workshop, LPCC's community invites you to learn from your peers every day.

The original structure was built as East Side School 1878 and was the first stone school in the Wyoming territory. Additions were made in 1928 and 1937. It was an operating school until the late 70's.

The small but mighty LPCC team is made up of 3 full-time staff, 2 part time maintenance staff, and hourly help as needed for shows and projects.

LPCC was a Joint Powers Board until 2019, when it became a stand alone 501(c)(3) non-profit organization. Our board oversees all operations of LPCC.
