**Code Administration Division**  
405 Grand Avenue PO Box C  
Laramie, Wyoming 82073  
(307) 721-5271 Telephone □ (307) 721-5248 fax □ (307) 721-5295 TDD

Date: 6-3-2019

Location: 411 2<sup>nd</sup> Street

Time and Date of Inspection: 09:30, 5-31-2019

Reasons for Visit: Temporary approval of facility

Persons Present: Emory Spiegelberg, Tim Hoff,

Comments By: Tim Hoff

---

**Observations:**

**RE: Bond's Brewery**

This facility has been inspected and approved for the sole purpose of starting the brewing process. No construction activity will be allowed in the production room. No other persons besides the owner of Bond's Brewing Co. LLC will be allowed to occupy the production area of the building (affidavit on file). No other persons other than those associated with the construction of the facility, are allowed on site until a permanent Certificate of Occupancy is issued by the City of Laramie Code Administration Division.

This is temporary permission and may be subject to further restrictions from the Wyoming Department of Agriculture Consumer Health Services and the City of Laramie Fire Marshall's office.

  
Tim Hoff  
Building Official/Building Inspector

411 2nd

City of Laramie  
PO Box C  
Laramie, Wyoming 82073

Attn: Building Department

Upon approval, Bond's Brewing is responsible for brewing prior to a certificate of occupancy (CO) and holds the City of Laramie and Spiegelburg Lumber and Building Co. harmless. The owner, Jay Bond, President of Bond's Brewing, will be the only individual allowed to brew beer. No employees of Bond's Brewing will be allowed to assist or be on site while the temporary certificate of occupancy is in place.

**Inspection Published Comment:**

This facility will brew beer and sell it wholesale and also retail in the bar area located on the first floor. The facility has the intent to serve pre-packaged non-potentially hazardous food such as bags of chips. The facility does not have plans approved for complex food service. The bar area is not complete at this time and will require a separate pre-opening inspection once this area is complete. The bar area has been sealed off to prevent contamination in the brewing area.

Today's inspection was a Pre-Opening inspection conducted by Inspection Supervisor Justin Latham.

Contact was made with the following person or persons-in-charge (PIC): Mallory Bond Manager

This facility (stores, process, manufactures): This facility brews and kegs beer for wholesale over 50% and has a retail area upstairs for retail sales.

The Facility was preparing for a pre-opening inspection.

This facility has not had any routine inspections and is a new facility.

During today's inspection Inspector Latham discussed traceability with the PIC. The facility has created a log for lot coding and traceability. The facility was able to demonstrate one step forward and one step backward for traceability.

Inspector Latham reviewed the lot coding method the facility plans to utilize.

The facility stated they have not received any complaints at this time because they are new.

The facility will monitor its processes and discuss with the IIC any changes and those changes will be reviewed at the 30day inspection.

The facility was made aware of registering with the FDA and they were provided a link for registering with the FDA.

<https://www.fda.gov/food/online-registration-food-facilities/food-facility-registration-user-guide-step-step-instructions>

This facility has only been approved to start the brewing process. The facility has a compliant restroom for employees. The facility will need a pre-opening inspection for the rest of the facility prior to utilizing it. If any product is stored, produced, or packaged in any area other than the room with the bulk tanks it will be considered adulterated. The facility may not conduct any construction in the approved area while production is taking place and a full clean-up to include sanitizing the area shall be conducted before production can resume.
