

CITY OF LARAMIE COUNCIL REGULAR MEETING March 17, 2020

Agenda Item: Agreement

Title: Utility License Agreement with Albany County for Waterline

Recommended Council MOTION:

I move to approve the submission of a Utility License Agreement to the Board of Commissioners of Albany County to allow a water main crossing under Roger Canyon Road, approve a weekly dispersion (Friday check) in the amount of \$1,130.50 and authorize the Mayor and Clerk to sign.

Administrative or Policy Goal:

Maintain and Improve Municipal Infrastructure as Adopted in Resolution 2020-08

Background:

As part of the North Campus Water Main project it is necessary for the proposed water main to cross Roger Canyon Road as it traverses between the intersection of 10th Street and Beaufort Street and the Municipal Operations Center on North HWY 287. With the approval of this agreement by the Albany County Board of Commissions the City of Laramie will be allowed to install a 14” water main beneath Roger Canyon Road. The North Campus Water Main is currently being designed by AVI Engineering and is expected to be bid for construction this summer.
