Re: Feedback on Small Wireless Facilities Ordinance

Derek and Planning Commission,

I wanted to write you a quick note to thank you for inviting Visionary into the discussion on your Small Wireless Facilities Ordinance.

River Oaks and the City of Laramie provided us an opportunity for input into your process. Of the eight comments and suggestions we made, we found the ones of most import were included in future ordinance drafts.

Visionary understands the need to enact these ordinances, as municipalities are facing requests from cellular carriers and construction companies building small cellular towers and asking for towers within City right of way.

Sincerely,

A handwritten signature in black ink, appearing to read "B. Worthen", is written over a light gray horizontal line.
