Importance: High

Thank you for the opportunity to submit an application for funding, the WWBC is incredibly grateful to the city and county for their continued support. We appreciate the extension that you allowed our organization due to the transfer to a new non-profit accounting firm, Capital Clarity. Unfortunately, due to the financial/budget transfer we were unable to make the deadline of February 22, there was a large amount of budget maintenance and a transfer to online accounting systems. I am happy to answer any questions that you may have regarding the transfer. Please find our attached application, cover sheet and financial statement. Our W-9 is in the mail.

Thank you again,
Wendy

City of Laramie/Albany County

Community Partner Organization - “Outside Agency”

Funding Request Application

Fiscal Year 2021/2022

Introduction

The City of Laramie and Albany County provide funding opportunities to local community partner organizations through their annual budget making processes. Historically known as “Outside Agencies” or “Community Partners,” organizations receiving municipal and/or county funds do not operate within the formal structure of city or county governments but may utilize support from these governments to achieve their missions or fund special projects. Community Partner organizations generally have a strong presence within the community and provide vital services, products, or activities that serve to improve the community in a variety of ways. Historically, organizations requesting funding have typically fallen within the following three categories:

Recreational/Arts and Culture: These organizations exist to promote, sustain and develop recreational, cultural and leisure activities within the community. These organizations may also sponsor educational and community events or celebrations designed to encourage a diverse cultural and active lifestyle and promote a strong sense of community.

Example: *Laramie Plains Museum, Laramie Depot, and Relative Theatrics*

Social Services: The primary objective of these organizations is to support or engage in activities designed to enhance the wellbeing of individuals and families within the community. These organizations provide a variety of services that primarily focus on basic human needs, access to programs and services designed to maintain human dignity, health and overall welfare of citizens.

Example: *Big Brothers-Big Sisters, Downtown Clinic, and Interfaith-Good Samaritan*

Civic Organizations/Quasi-Governmental: These organizations have been established within our community to: A) work for overall improvement, advancement and economic health through civic involvement, economic development initiatives and through fostering community spirit; or B) provide services, programs or other opportunities for the betterment of the community through the organization of Joint Powers Boards or other Quasi-Governmental Organizations that work collaboratively with the City of Laramie and/or Albany County on shared goals, concerns and interests.

Examples: *Albany County Public Library and the Laramie Plains Civic Center*
