## GROOM REPORT

February 28, 2021

A dusting of new snow overnight. The following trails were groomed again early this morning: Snowshoe, HQ, Express, Full Crow Creek Loop, Cardiac, Haunted Forest, Aspen, and Black Ice. Some bench-cutting was done to improve trail camber on the far-side of Crow past the beaver pond and on several sections of Haunted. Thanks Seth! Enjoy!

*We need your help to keep the good times rolling. Give the gift that keeps giving, please donate here to feed the Snowdog and maintain the best public winter trails this side of everywhere!*
