Agenda Item: Agreement - Modification

Title: Amendment Two to Agreement Between the City of Laramie, Wyoming and University of Wyoming Regarding Jacoby Golf Course Water

Recommended Council MOTION:

“I move to approve the Amendment Two to Agreement Between the City of Laramie, Wyoming and University of Wyoming Regarding Jacoby Golf Course Water and authorize the Mayor and City Clerk to sign.”

Administrative or Policy Goal:

Administrative & Council Goal” Strengthen community agency partnerships and work on joint partnerships.

Background:

The original Agreement between the City of Laramie and the University of Wyoming (UW) dated April 2017 outlined UW’s irrigation water rates in 2017, 2018 and 2019 for irrigation water on the Jacoby Golf Course. Amendment One to the agreement was approved on April 10, 2019 to extend the terms of the agreement an additional year expiring March 31, 2021.

Due to the City’s water rates remaining constant in 2020 and not increasing, it is hereby recommended the rate remain consistent from the previous year (2020) at \$2.22 Per Unit for irrigation water up to 75,000 k gallons and \$7.76 Per Unit in excess of 75,000 k gallons. In addition, the City rate will remain unchanged in 2020 and staff is recommending the rate and agreement be extended through 2021.
