Title: Work Session Topic: Investment Grade Audit Presentation of findings by Honeywell International.

Recommended Council MOTION:

None. Work session format does not allow for City Council to take any action.

Administrative or Policy Goal:

Resolution 2021-12 – Adopting Policy Goals and Objectives for the City of Laramie, Wyoming for 2021 – B. Environmental Stewardship, Milestone #3: Continue Renewable Energy Installations and/or Efficiencies at City Facilities & Properties as set for in Resolution 2020-14.

Background:

In June of 2019, the City of Laramie entered into a Professional Services Agreement with Honeywell International for an Infrastructure Renewal Program. The City contracted with Honeywell for two tasks:

- Task 1 – IGA for General Fund Facilities/Buildings.
- Task 2 – IGA for the Wastewater Treatment System.

Task 1 & 2 have been completed and Jason Randall, Account Manager, Honeywell Building Solutions ACS is here to present the findings of the investment grade audits in conjunction with Tasks 1 & 2.

Legal/Statutory Authority:

N/A

Budget/Fiscal Information:

Honeywell provided an audit report which specified significant savings for the improvements related at the Wastewater Treatment plant. Due to restrictions on CSRF funding the City was required to bid out the services and not give an open contract to Honeywell. Honeywell did not submit a proposal for design of the project. Based on review, Honeywell’s proposed savings will be met on this project. Anticipated savings amortized over the cost of improvements.) The cost of the IGA for task 1 and 2 is \$142,000. (\$25,000 GF/\$117,000 WWTP)
