	TOTAL VALUATION	\$	

Separate permits are required for any plumbing, mechanical or electrical work and exterior signs.

Note: This permit becomes null and void if work authorized has not commenced within 180 days, or if work is suspended or abandoned for 180 days at any time after work has commenced. I hereby certify that I have read and examined this application and know the same to be true and correct to the best of my knowledge and further that I am authorized by the owner of the above premises to perform work for which the permit application is made. All provisions laws, codes and ordinances governing this type of work will be complied with. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other law regulating construction whether specific or not.
