

Guidelines for Host City Bid

Wyoming Senior Olympics

Wyoming has been hosting the Senior Olympics since 1986 and joined the National Senior Games Association in 1987. Pinedale hosted the Winter Senior Games for the first time in Wyoming in 2009. Both the Summer and Winter Games continue to be popular and draw a large number of participants and their friends and family to the host city.

The Wyoming Senior Olympics Board of Directors invite Wyoming communities to host this inspirational group of athletes by bringing the Games to your town! Proposals are accepted for two year periods. The second year of the Summer Olympics is a “qualifying year” for the National Senior Games held every two years in a host city in the United States.

The Wyoming Board of Directors will only consider proposals which include written cooperation of the local Parks and Recreation Department and/or the local Senior Center. Cooperation of these entities is vital to the success of the Senior Olympics. At least one representative of the Host City will become a member of the Board of Directors.

MINIMUM PROPOSAL REQUIREMENTS:

Excellent sources for ideas and suggestions for preparing a proposal are the current State Games Coordinator and previous State Games Coordinators. It is helpful to know how successful Wyoming Senior Olympics have been conducted in the past to decide how best to adapt them to your community. Host City Organization Guidelines

INTRODUCTION

In order for the Summer and Winter Wyoming Senior Olympic games to run smoothly, it is important for the host city to form an executive committee or “Host Committee.” The function of the Host Committee is to make planning decisions and to complete the necessary work assigned and/or to solicit others for specific duties. The following positions have served well in producing successful games and are highly recommended: Committee Officers; State Games Coordinator, Secretary and Treasurer / Assistant Treasurer. Committee Members include the Events Coordinator, Volunteer Coordinator, Fund Raiser Coordinator, Publicity Coordinator, Registration Coordinator, Check-in Coordinator, and Opening Ceremonies Coordinator. Detailed job descriptions are found below.

Spreading the work load over several positions is very important in the preparation AND conducting of the games and makes hosting a more enjoyable experience. Establishing Co- Coordinators in these positions can also make the duties more enjoyable and avoid issues if one Coordinator is called away or becomes ill.

HOST COMMITTEE OFFICERS:

I. State Games Coordinator:

The State Games Coordinator is the chairperson of the Host Committee and resides in the host city.

The State Games Coordinator is responsible for the planning, preparation and conducting of the many facets of the Wyoming Senior Olympics. It is not necessary that he/she personally conduct all of these duties listed below, but it is his/her responsibility to see that they are completed.

Some suggested activities may not fit well in all communities, an example is the route of the Parade of Athletes. As athlete safety is of paramount importance a pathway or park may be far safer than attempting a parade down a city street. Contacts with previous State Games Coordinators may be very helpful in adapting activities to your community and stimulating ideas.

Following are the responsibilities of the State Games Coordinator:

1. Oversee all Host Committee Coordinators to assure successful Games.
2. Develop a budget for the Games in conjunction with the Treasurer.

3. Secure host hotels and arrange for meals.

Consideration should be given to golf courses, tournaments and bowling lanes. This brochure should include:
 - A. The list of sporting events, their venues, times and dates.
 - B. A list of host city motels and restaurants.
 - C. Participation Information, General Rules and a Fee Calculator for registration, events and special activities.
 - D. Registration Forms.
 - E. Athlete Release and Waiver of All Liability and Assumption of Risk Agreement.
