March 26, 2020

Dear Liquor License Holder,

We have received a lot of calls recently regarding TiPS training and the Tavern meetings. We would like to provide some information and resources to clarify.

In response to the COVID-19 we are not currently holding TiPS training classes through the Laramie Police Department in response to the State of Wyoming Public Health orders. TiPS Certification can be obtained using online resources like [www.gettips.com](http://www.gettips.com) (\$40/person). Adam Chafetz, President and CEO of TiPS said in a recent letter to TiPS Customers, "For multiple registrations, owners and managers can purchase eTIPS Pre-Paid Passports. eTIPS Pre-Paid Passports offer establishments, corporations, and organizations the flexibility of pre-ordering eTIPS registrations. For each passport that you purchase, we will send you a unique registration code with instructions on how to access the course. You then simply distribute these passports to the people who need to get certified." Additional Wyoming Liquor Division approved certification can be found on their website <http://liquor.wyoming.gov/>.

Tavern meetings have been placed on hold until restrictions on gatherings have been lifted or other arrangements have been made. We will keep you informed when a date, time, and location has been set or if other arrangements have been made.

If you have any questions, please let us know. We hope this helps to clarify some of the questions you have.

Thank you,

Nancy Bartholomew  
City Clerk

Dale Stalder  
Police Chief
