ENROLLED ORDINANCE NO: 1783

INTRODUCED BY: O'DOHERTY

AN ORDINANCE AMENDING CHAPTER 10.08 OF THE LMC RELATED TO  
TRAFFIC COMMISSION

WHEREAS, Laramie Municipal Code Chapter 10.08 is outdated and City Council finds it appropriate to modernize and bring best practices to the Official Traffic Commission;

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LARAMIE:

1. Chapter 10.08 – Official Traffic Commission shall be amended to read as follows:

**10.8.10 - Traffic Safety Commission Created**

A Traffic Safety Commission is created and shall consist of eight members, as follows:

- One City Manager's designee without voting privileges, and
- Seven Laramie residents with demonstrable experience in engineering or planning or interest, knowledge or training in fields closely related to multi-modal transportation, with preference for one member given to an applicant holding a Professional Engineering License with expertise in Transportation.

The Laramie residents shall serve without compensation. The City Council may remove any Council-appointed member of the Traffic Safety Commission whenever it decides such removal would be in the best interests of the City, and shall fill vacancies created by resignation, death, or removal of any member.

**10.08.020 – Operation – By-Laws**

The operations of the Traffic Safety Commission shall be governed with by-laws approved by the City Council.

**10.08.030 – Purpose & Responsibilities—Generally.**

It shall be the purpose and responsibility of the Traffic Safety Commission to provide advice to City staff on multimodal traffic matters while holding paramount the safety, health and welfare of the public as they utilize municipally-owned and operated rights-of-ways. The Traffic Safety Commission may assist the City Engineer in promulgating standards and policies relating to neighborhood traffic management on local streets and review and comment upon conceptual and preliminary changes to traffic patterns or programs on major roadways. The Traffic Safety Commission may recommend such ways and means for improving traffic conditions and the administration and enforcement

of traffic regulations as it determines advisable. The Traffic Safety Commission may make recommendations to City staff for traffic safety related items as may ease traffic congestion and help facilitate transportation throughout the City and review traffic safety concerns from members of the public. The Traffic Safety Commission may make recommendations to City Council on the planning and prioritization of projects for budgeting purposes.
