

Disability Membership Rate Criteria

To ensure equitable access to Laramie Parks and Recreation's facilities, programs, and services, individuals with disabilities may be eligible for disability memberships, accommodations, or program modifications. This document outlines the criteria and process for verifying disability status in compliance with the Americans with Disabilities Act (ADA).

Disability Eligibility Criteria

You may qualify if you:

- Have a **physical or mental impairment** that substantially limits major life activities
- Have a **record** of such an impairment
- Are **regarded** as having such an impairment

Note: You do **not** need to receive SSDI or SSI to be eligible.

Verification Documents

If you don't have SSDI or SSI, provide **any one** of the following:

- A completed **Disability Verification Form** signed by a licensed healthcare professional
- A current **IEP** or **504 Plan**
- **Medicare/Medicaid** enrollment due to disability
- A **disability rating or letter** from the VA
- Other documentation **subject to ADA Coordinator approval**

All information is kept **confidential

***Diagnoses are **not required** unless needed for accommodation decisions*
