

ADVERTISEMENT TO BID

Notice is hereby given that the City of Laramie, Wyoming will receive electronic bids for the furnishing of all labor, materials, tools, appliances, transportation, and services necessary to complete the **IVINSON INFRASTRUCTURE UPGRADES – PHASE II PROJECT** as called for in the Project Manual and generally described as follows:

Removal of all existing sanitary sewer lines within Ivinson Ave. and replacement of approx. 560 LF of 21-inch and 1,800 LF of 18-inch PVC; removal and replacement of existing water and sanitary sewer lines within the alley between 13th and 14th Streets with 8-inch PVC; rehabilitation of the existing storm sewer via CIPP and replacement of storm inlets. Utility work includes installation of approx. 3,100 LF of 8-inch AWWA C900 PVC waterline and appurtenances. Street work includes a full-width removal and replacement of the existing surfacing sections along the entire project lengths of Ivinson Ave., 13th St., and the 13th – 14th St. Alley. Surfacing rehabilitation of 12th and 14th Streets includes utility patching, select taper milling, and full width asphalt overlay with select removal and replacement of existing concrete curb and gutter. Miscellaneous concrete flatwork will be required for existing sidewalks, alley approaches, etc. associated with curb and gutter replacement and the removal and installation of Americans with Disabilities Act (ADA) ramps throughout the project limits. Street work also includes removal and replacement of the existing 9th St. intersection traffic signal system, signing, and striping. Construction includes removal and replacement of manholes, waterline valves and fire hydrant assemblies, connections to existing water and sanitary sewer systems, service line replacement, landscaping restoration and all incidental work as shown on the Plans.

Electronic bids shall be submitted online until 1:00 PM Local Time, on the 7th Day of April 2026, at which time the bids will be publicly opened and read aloud. All bids must be furnished electronically through the QuestCDN VirtuBid platform. Instructions for online bidding using QuestCDN have been attached as part of the Instructions to Bidders document. Bids which are not prepared and filed in accordance with the Instructions to Bidders may be rejected. The City reserves the right to reject any and all bids and the right to waive irregularities in bids received.

Each bid must be accompanied by a bid bond with sufficient surety, for not less than five percent (5%) of the total amount of such bid, payable to, and to be forfeited to, the City of Laramie as liquidated damages if bidder fails to enter into contract within thirty (30) days after award to him, or fails, at the time of executing the agreement, to furnish a performance bond and a payment bond each in the amount of one hundred percent (100%) of the bid. Facsimile (fax) or other copies of bonds are not acceptable. **NO BID WILL BE CONSIDERED IF NOT ACCOMPANIED BY SUCH BOND, OR IF NOT IN CONFORMANCE WITH THE PROVISIONS OF W.S. 15-1-113.**

A complete set of the Project Manual and Plans may be downloaded after the 7th day of March, 2026, via the City website <http://www.cityoflaramie.com/projects/>, which will lead to a QuestCDN website, where prospective plan holders must log in and pay a download delivery fee of twenty-two dollars (\$22.00). This login and deposit will ensure that the plan holders are identified and supplied the possible addendum and notices associated with the project.

Questions about the project may be directed to Ridge Leinen, Project Manager. He can be reached at (307) 721-5250, or engineering@cityoflaramie.org.

A pre-bid conference shall be held at 10:00 AM on the 17th day of March 2026, at 4373 N 3rd St., North Platte Conference Room (MOC), Laramie, WY 82072. Attendance by Bidders is **Required**.

The City of Laramie seeks to integrate energy efficiency practices into all aspects of day-to-day operations, from capital construction specifications to staff behaviors, to ensure economic and environmental sustainability. The City encourages bidder submissions that 1) enhance the efficiency of City projects and ongoing operations, and/or 2) consider all energy types, including traditional and renewable sources.

Pursuant to W.S. 16-6-101 through 16-6-107, preference is hereby given to resident contractors, materials, supplies, agricultural products, equipment, machinery and provisions produced, manufactured or grown in Wyoming, or supplied by a resident of the state, quality being equal to articles offered by the competitors outside of the state.
