

Prescription Drug Drop Box Locations in Wyoming

Updated October 2014

Unwanted, unused, or expired prescription drugs have been determined to present substantial risks to our communities by either falling into the wrong hands, or by damaging our environment through improper disposal. It is this awareness that led the Wyoming Department of Health to collaborate with key stakeholders to provide a safe alternative method to dispose of unwanted pharmaceuticals. The following list indicates where Wyoming residents can go to anonymously and safely dispose of prescription drugs.
